## Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests.

**During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

## HOW TO START THE \$5 SAVINGS CHALLENGE

If you're like millions of others in the US and around the world, you probably dream of traveling a bit more. However, for a lot of people, some of the costs of travel can get in the way. Don't let that hold you back from visiting all those places on your travel bucket list.

### WHAT IS THE \$5 SAVINGS CHALLENGE

If you haven't heard about this challenge, you might be wondering what it is exactly. The good news is it's pretty simple. The challenge is that each time you get a \$5 bill, say as change, you put that into a makeshift piggy bank. You don't need to set up any specific bank account or do anything online. All you need is your cash and a place to put it — a box, jar, piggy bank, whatever you want.
